**RE: VOLUNTEER READERS**

Dear parents and carers,

As part of our continued efforts to raise the standards of reading in school, we are hoping to encourage parents and other members of the Amberley community to come into school and help children with their reading. Reading regularly to an adult significantly increases the progress that children can make with their reading fluency and understanding.

We are hoping that there may be some parents, grandparents or carers that would really enjoy coming into school to listen to children read. Typically, this would be working one to one with children in an afternoon, listening them to the read.

All classes would really benefit from a volunteer reader and I am hoping that some of you may be interested in supporting us in school. If you or anyone you know may be interested in supporting us with reading, please could you email me at [shamilton@amberley.gloucs.sch.uk](mailto:shamilton@amberley.gloucs.sch.uk)

Thank you for your continued support
