### You Said, We Did (May 2022)

<u>You Said</u>	<u>We Do</u>
<p>I would be interested to understand how/what sport is undertaken and what opportunities they have to try out different sports as they grow.</p>	<p>Due to Covid, we have had to restrict visitors into school so no taster days have happened therefore the sports such as Archery, climbing walls etc have not been offered. However, there are opportunities at the residential to experience these sports where the pupils are taken in both Year 5 and 6.</p> <p>The PE curriculum is outline on our school website. Communication could be better 1 or 2 five minutes catch up per year doesn't really tell me how my child can progress their learning in class.

Emails are not always answered.

Parents evenings run twice a year where all parents are allocated ten minutes with their child's teacher. In addition, all pupils receive a detailed report outlining where their child is in terms of age related expectations and are able to book a further appointment to discuss the report. Furthermore, we welcome any parent to communicate with the child's teacher if they have any questions or concerns. Teachers are on the playground either at the start of the day, at the end of the day or both.

**What we did/decided**

Before COVID, we held Wow Wednesday or Fantastic Fridays. Parents were invited into school to share their learning with their child. Now restrictions have been relaxed we are able to relaunch in June.

We held a communication meeting in the Spring Term. We explained that all our information is on our school website but parents felt that they wanted an easier method to access.

**What we did/decided**

- In September there will be nominated class representatives that will post essential updates on class What's app groups
- We moved our newsletter to a different format. Amberley News will continually display key dates and events.
- At the end of the Amberley News, there are key links to click onto that will take you to school lunches, term dates, school Governors, website etc.
- All correspondences can be found on <https://www.amberleyschool.co.uk/letters-and-communications>. Class letters can be found on class webpages.
- All emails are replied to so please contact the office by phone if you feel that you are not getting a reply.
- Parents were informed that emails will be responded to, however they have to be considerate of the Business Manager's and teachers' working hours.

Not sure where to find the information about the curriculum

Everything that we deliver is on our school website. Please use the following link  
<https://www.amberleyschool.co.uk/curriculum-1>

At the start of the Autumn, Spring and Summer term, all parents are sent a letter that outlines the term's content.

At the start of each foundation subject, parents are sent an overview of what is being covered, expectations of what the children should know and how the curriculum links with our Christian Character, refer below.

Dexter Class

In addition to this, each class completes a weekly blog at the start of each week letting the parents know what their children will be learning that week.

***Please contact school if this does not answer your question, we are here to guide you in the right direction.***

When will clubs relaunch?

Due to Covid and Local Authority guidance, clubs were cancelled. It was decided not to start clubs in this short term as the first week was a four-day week with Young Voices and the children were preparing for their tests in May. Clubs will be relaunched in Summer Term 2 for those children who wish to attend. Atlas sports will continue and children will be taken to Atlas after their club is finished. Clubs will run until 4:15pm.
