Pupil Acceptable Use Policy Agreement: Key Stage 1

I choose to stay safe

- I know what my personal information is and I will not share it online.
- I will tell an adult straight away if I see anything scary or anything that makes me feel uncomfortable online and I will not show it to other children.
- If anyone online asks me to meet them in real life, I will tell an adult such as my teachers or parents straight away.
- I will never arrange to meet anyone in person after I have met them online.

I choose to be kind and helpful

- I will only use polite language when using the computers and I will not write anything that might upset someone or give the school a bad name.

I choose to be honest

- I will never use other people's usernames and passwords on computers left logged in by them.
- I will only use the school's computer systems for things a teacher has given me permission to do.
- I will not copy, remove or change any other person's files, without their knowledge and permission.

I choose to look after property

- I will be careful with computing equipment.
- I will tell an adult straight away if I notice computing equipment is damaged.

I understand that:

- I know that pictures on the internet can belong to the person who put them there.
- I know that some things on the internet are not true.
- For my own and others' safety and the safety of the school's computer systems, the school will monitor my use of the computer systems, email and other digital communications.
- The school has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (examples would be cyber-bullying, use of images or personal information).
- If I choose not to keep to this agreement I may not be allowed to use computers, laptops, tablets or other equipment until the school feels it is safe and right for me to do so.
