

Science is about how the world works.

Providing the rich soil that enables our children to develop deep roots and flourish.

Scientists ask questions, make observations and draw conclusions.

Topic:	Key Questions:	Key Vocabulary:
 <p>Light and Shadow</p>	<ul style="list-style-type: none"> • What is a light source? • How do our eyes use light to see objects? • How are shadows formed? • How and why the shadows change? • What is a reflection? • How can we protect ourselves from the Sun's rays? 	<p>Light source Reflect Translucent Transparent Opaque shadow</p>
